## Proposal of change to Quaggy Development Trust Articles of Association

We are consulting regarding the proposed changes in our Articles of Association in relation to the membership of the Trust.

### Our current Articles state:

'Membership will be open to all persons living, working (paid and voluntary) or using services in the defined area of benefit.' (The area of benefit is the Coldbath and Orchard estate and surrounding area)

'Individual members who reside in the defined area shall be granted immediate membership'

### Our amended Articles state:

'A Trustee shall become a member on becoming a Trustee. All new Trustees are treated as having agreed to become members of the Charity.'

The reason we are proposing these changes is that the Companies Act requires all individuals to **consent** to being a member and for their names to be entered onto the company's Register of Members.

**We are consulting with you to see if you have any objections in the proposed changes to Quaggy Development Trust Articles of Association, if you would like to submit comments or objections or ask any questions please email [joanna@quaggychildrenscentre.org.uk](mailto:joanna@quaggychildrenscentre.org.uk) by 16<sup>th</sup> October 2020**

Thank You
